Parent-Teacher Interviews: Instead of a parent teacher-night, this year we offer short meetings before or after classes throughout Term 2. We encourage all parents to arrange individual appointments with their child(ren)'s teacher.

Staff News: On Sunday 25 March, colleagues, extended family and friends came together for a special Afternoon Tea at the Bentleigh Templar Hall for a special person, Josefine Hennel, to thank her for 24 years of teaching German for the Temple Society Australia and to wish her well for her retirement. – Bernhard Henger who has been teaching the Extension class in Bayswater, is now also taking the Middle/Senior class in Bentleigh on Wednesday.
