

Senior German Tutorial (Years 10 to 12) **at Bentleigh, 152 Tucker Rd**

This tutorial is designed for Year 10 to 12 students wishing to improve their proficiency and practise their skills in German. This tutorial focuses on grammar, conversation, build-up of vocabulary and exam preparation.

- Term 1 to Term 3
- 75-minute sessions, once a week
- Wednesday, from 5 to 6:15pm
- Total of 35 hours
- \$ 490

What we offer:

Students

- will get support throughout the term and school year
- are taught by an experienced teacher who has insight in the VCE examination system
- are going to be provided with the opportunity to revise what has been taught during class at their day school
- make use of practising and improving their oral skills with our native-speaking teacher
- will be challenged and be given the opportunity to expand their proficiency in German
- receive valuable insight of how to best approach and prepare for the oral and written VCE examination
